LOVE COMFORT, LOVE STYLE.

Your feet deserve to be loved. That's why we've developed a range of styles to help you (and your healthcare professional) find the perfect combination of comfort and style.

- Anatomically contoured fit, so they feel as good as they look
- Soft natural leather upper for all day (and night) comfort
- Cushioning under heel for extra shock absorption where you need it most
- Layers of premium materials cushion every step
- Orthotic-friendly styles have extra depth
- Leather and Dri-lex® linings to keep feet cool and comfortable.

30 DAY promise

If your shoes aren't right, simply bring them back within 30 days (even if you've worn them) and we'll happily give you an exchange or refund.

= FULL INLAY

= 3/4 INLAY

= Excellent adjustability

HP = Heel pitch

All styles have steel or fibreglass shanks for stability and have deep & wide toe room.
